Please arrive early for all events for a prompt 7.30 pm start

The Individual Blitz events are open to all and carry no entry fees or prizes.

The time control – no base time with 10 seconds increment throughout.

Players will play two games against the opponent (white/black) and will play four rounds (eight games). Swiss pairings will be used with Swiss Manager.

The Team Blitz is open to all and carries no entry fee or prizes.

The time control – no base time with 10 seconds increment throughout.

Teams will consist of four players and will play against one other team in the evening.

Each player will play two games (white/black) against each of the four players in the opposing team (eight games per player 32 games in the match).

If there are an odd number of teams one match will involve three teams with each player still playing eight games against four opponents.
