

Millfield International Chess tournament 2018

This is a unique junior tournament with 12 players in a team.
There were 7 rounds to play over the weekend of 13/14th October.
Time control for all games was 35 mins each plus a 10sec increment

11 teams took part in total, and our Bristol League Juniors finished in overall 3rd place.

This was a fantastic effort by our newly formed junior team. This was our debut at The Millfield International, but we certainly made our mark !

After the two qualifying rounds we progressed to the 5 round championship section.

With our final score of 35/60 we just missed out to RGS Guildford (37/60) for second place.

The winners Gonzaga College Dublin were an outstanding team and have now won the Millfield International for the third year in a row. We are a very young team, and look forward to challenging again next year.

We had two prize winners in our team:

Kandara Archarya Best Under 12

Kandara Arcgarya Top Girl

Max Walker Board Four best score (3.5/5 points).
