Arbiters in the Bristol League

Qualification for the title of ECF Arbiter consists of passing a formal written examination with a score of 80% or greater. The syllabus includes knowledge of, and ability to apply, the Laws of Chess, pairing rules, speed chess regulations, and various administrative functions. The full details are in the current ECF yearbook. In addition, the candidate must show ability to apply the theory in practice, and have performed to a satisfactory level at several tournaments.

From time to time, training courses are held in the Bristol area to prepare students for qualification. In addition, the Chess Arbiters' Association exists to support and encourage new and existing members.

The following are recognised ECF Arbiters:

Jerry Humphreys (BCF)	0117 9650097	jerryh@blueyonder.co.uk

Grading Thresholds

The League allows players flexibility in “playing up”, and the option for some players to “play down”.

5.3 Eligibility of Players

explains how the thresholds can affect players wishing to play up or down

- f. The Match Secretary shall publish at the start of each season a set of Grading Thresholds for each division and for the Minor knock-out competition. The July ECF grading shall be used throughout the season for eligibility purposes.
 - g. A player wishing to play for a lower team that is in the same division must have a grade less than the threshold of the division below that in which they play. If further teams from that club play in that same division, to play for them, the player must have a grade less than that of the division below that in which they play.
 - h. If the team next below that of the player is in a lower division it is only required that the player's grade be less than the threshold of the division in which that team plays. But, if further teams from that club play in that same lower division, to play for them, the player must have a grade less than that of the division below that in which they play.
 - i. Players registered for a team in Division 1 or 2 may play for a particular senior team up to four times without penalty. On a fifth occasion, the player will automatically become registered for that senior team.
-

This is a simple rule and only affects players in Division 1 or 2.

Graded players only - If you are registered for a team but are below the grading threshold for a lower team in your club, you may play as many times as you wish for that lower team.

However, where the lower team is in the same division as the team for which you are registered, the grading threshold applicable is that for the division immediately below (hence the inclusion of “Division 5” in the table below).

If you are playing down **to** a division where your club has more than one team competing, you may only play for one of the less senior of those teams if your grade is **also** below the threshold for playing down **within** that division (see point c above and Rule 5.3h).

“A fuller explanation with examples can be found on the League website”

Ungraded players must be used in a team appropriate to their perceived playing strength. The LMC may impose a penalty if this condition is abused.

The grading thresholds for playing down to the four divisions in the 2018-19 season are:

DIVISION	↓2	↓3	↓4	↓5
GRADING THRESHOLD	163	131	109	85

The Two Minute Rule

“ Please note that players are unable to claim a draw under the two minute rule where an increment of 10 sec per move has been added from the start of the game.” (Rule 3.3 c)

The LMC has been asked to interpret the two-minute rule. We believe that attempting to do so will raise more questions than it answers, so here instead is an attempt at clarification of the rule as it applies to league play.

The revised FIDE Laws of Chess refers to quickplay finishes without an arbiter present in Guidelines III. Games without increment including Quickplay Finishes. See Link below for the July 2018 FIDE Laws of Chess:

<https://www.fide.com/fide/handbook.html?id=208&view=article>

III.6 The following shall apply when the competition is not supervised by an arbiter:

III.6.1. A player may claim a draw when he has less than two minutes left on his clock and before his flag falls. This concludes the game. He may claim on the basis:

III.6.1.1 that his opponent cannot win by normal means, and/or

III.6.1.2 that his opponent has been making no effort to win by normal means.

In III.6.1.1 the player must write down the final position and his opponent must verify it.

In III.6.1.2 the player must write down the final position and submit an up to-date scoresheet. The opponent shall verify both the scoresheet and the final position

PLEASE NOTE THE SENTENCE “THIS CONCLUDES THE GAME”. Once the claim has been made, the games stops immediately.

Of course, the opponent may choose to accept the draw, but otherwise:

In III 6.1.1.) ‘Cannot win by normal means’ refers to the material on the board, not to the position, or the time. Even a single pawn is theoretically enough to win.

III 6.1.2) is obviously more complicated. A common misconception is that the arbiter will adjudicate the position. In fact, he will be looking at the moves made up to the point of the claim to judge whether the opponent of the claimant is trying to run the player’s time down, and not trying to win the game by normal means. If he concludes that the opponent was trying to win by normal means, the claimant loses the game.

A point to bear in mind is that the claim of not trying to win by normal means must be accompanied by an up-to-date scoresheet, verified by both players. This is relevant if both players have stopped recording moves under the five-minute rule.

Bristol Grand Prix 2017 - 2018

Ten events subscribed to the Grand Prix this season, and of those, three were League based and seven were Club based and my thanks to the organizers, both for running the events and for including them in the Grand Prix.

The prize fund has remained stable at just over £300 for the season.

Over the year 123 League members competed in the ten events on 299 occasions, scoring a total of 5081 Grand Prix points. Eleven players scored 100 points or more, down on last year's twenty, but the loss of the Bristol Spring due to the bad weather had an impact as it was a high scoring event.

Prizewinners from this year are represented by three different clubs.

As one section was being maintained rather than graded sections, there was no longer any need to use either July or January gradings to determine where to place entrants.

The Junior Grand Prix has seen yet another growth in strength this year – seven juniors in the top 30, and a very impressive 4 juniors in the top 8 - three in the prizewinner slots of the top 5 – so the fourth placed junior becomes eligible for the junior cash prize. This year's overall winner is also one of the junior players in the League. I think all this goes to show how Junior chess is growing in the League – and all of those involved with the junior chess should deserve credit for the achievements of the junior players this season.

A reminder please to ALL clubs/secretaries to inform me of juniors representing their clubs in the League - without that I cannot run the Junior Grand Prix knowing if I have missed players out. If anyone wants to check eligibility for the Grand Prix (main and junior) then feel free to contact me.

Starting this year there is also a trophy to be given to the overall winner – this trophy is theirs to keep.

The Prizewinners are as follows:

1 st : Oliver Stubbs (Downend)	£125+trophy+Junior trophy
2 nd : Chris Strong (Clevedon)	£75
3 rd : Duncan Macarthur (Keynsham)	£50
4 th : Max Walker (Clevedon)	£30
5 th : Yuvraj Kumar (Downend)	£20

The Junior GP prize goes to Nicholas Cunliffe (Clevedon) for being the highest scoring junior not winning one of the main prizes , £20.00 prize.

For anyone who wishes to view the guidelines regarding eligibility and prizes, a copy of the Grand Prix rules are available on the website (latest revision is May 2017). If anyone has any questions regarding them, feel free to contact me for more details.

Anyone wishing to register an event should contact me by either:

- b. Each team shall present a captain. The captain or a competent deputy must remain available for the duration of the match. The captains shall first agree any variations in the conditions of play permitted by the competition. Then they shall exchange lists of eligible players in order of decreasing playing strength, the strongest player being designated board one, the next board two and so on (the LMC may penalize any team that flagrantly abuses this stipulation). The away team shall have White on the odd boards and Black on the even boards.

3.7 Default of Game

During the period of grace defined for each competition, captains may substitute an eligible reserve in place of a player failing to keep their appointment. Any board on which a captain is unable to field an eligible player within the period of grace shall be lost by default; in addition, if an ineligible player is fielded, the LMC may impose a penalty as set out in Rule 2.2.a.

3.8 Scoring

- a. Individual games shall be scored one point for a win, half a point for a draw and no points for a loss. These points are then aggregated, and the team with the higher aggregate score shall win the match; if the scores are equal, the match is tied.
- b. If a team match tie is to be broken by board count, this is calculated by aggregating one point for a win on board one, two points for a win on board two and so on down to the last board, the team with the lower board count winning the match.
- c. If a team match tie is to be broken by board elimination, the winner is determined by disregarding as many of the lowest boards as necessary to secure a result.

3.9 Notification of Results

The home team captain must complete a Match Result form and ensure that the Match Secretary receives it within 72 hours of completion.

The LMC may impose a fine of £5 for any unreasonable delay in forwarding the result of the match.

If the claim is successful, the club of the claimant's opponent shall be fined £3.

5. TEAM CHAMPIONSHIPS

5.1 Format

- a. Team Championships shall be held from September 1st to the first week in May each year.
- b. Each Team Championship shall consist of a division of teams determined by promotion and relegation from the previous season. The most senior division shall be the first division, the next most senior the second division and so on.
- c. In each division, each team shall play every other team in the division twice, once at home and once away. The LMC may revise these conditions if the number of teams engaged makes this desirable.
- d. In divisions 1, 2 and 3 each match shall be between two teams of six players. In all other divisions, each match shall be between two teams of four players.
A team shall score two Match Points for a match won, one Match Point for a match tied and no Match Points for a match lost.
- e. At the end of the season, the teams in each division shall be placed in order of decreasing number of Match Points aggregated. If the two or more teams have the same number of Match Points, then the following tie-breaks shall be used in this order:
 - greatest number of individual game points aggregated in all matches,
 - fewest number of Default Penalty Points (see Rule 5.4),
 - greatest number of individual game points aggregated in the matches between the tied teams.
 - If still tied, the teams shall be in a tied position.
- f. In all but the first and fourth divisions, the two teams placed highest in the division at the end of a season shall be promoted to the next more senior division in place of the two teams placed lowest in that division, who shall be relegated to the less senior division. The LMC shall have the power to promote additional teams and to waive relegations.

5.2 Entry

Entry to the Team Championships is open to any Member Club whose League subscriptions are fully paid up. A club may enter more than one team, in which case the teams shall be designated "A", "B", "C" and so on, in decreasing order of seniority. Entries shall be delivered to the Match Secretary on or before July 1st prior to the start of the season.

5.3 Eligibility of Players

- a. For each team entered in the Team Championships, the Secretary of the Member Club must provide the Match Secretary with a list of at least six bona fide members (in the case of divisions 1, 2 and 3) or at least four bona fide members (in the case of other divisions) of the club to be registered for that team, at least two clear days before that club's first match of the season. It must be the intention that these players shall play regularly for the team for which they are registered, and players should be registered in order of strength as far as is practicable.
- b. Additional players will be registered for an appropriate team following the inclusion of their names on any Match Result form. The LMC will consider any request for re-registration of a team player.
- c. A player may not normally play in the Team Championships for more than one club during a given season. The LMC may allow this under exceptional circumstances.
- d. The LMC shall have the power to veto or cancel registration of a player without disclosing their reason for doing so.
- e. For each match in the Team Championships, the club must field a team consisting solely of players registered for that team or for another team from the same club. A player may be registered for only one team at any time.
- f. The Match Secretary shall publish at the start of each season a set of Grading Thresholds for each division. The July ECF grading shall be used throughout the season for eligibility purposes.
- g. A player wishing to play for a lower team that is in the same division must have a grade less than the threshold of the division below that in which they play. If further teams from that club play in that same division, to play for them, the player must have a grade less than that of the division below that in which they play.
- h. If the team next below that of the player is in a lower division it is only required that the player's grade be less than the threshold of the division in which that team plays. But, if further teams from that club play in that same lower division, to play for them, the player must have a grade less than that of the division below that in which they play.
- i. Players registered for a team in Division 1 or 2 may play for a senior team up to four times without penalty. On a fifth occasion, the player will automatically become registered for that senior team.

5.4 Default of Games

- a. For each game defaulted in a Team Championship match in divisions 1, 2 and 3, Default Penalty Points ("DPPs") shall be automatically imposed on the team defaulting, at the rate of 6 DPPs for a default on board 1, 5 DPPs for a default on board 2 and so on, reducing to 1 DPP on board 6.
- b. For each game defaulted in a Team Championship match in divisions 4 and below, Default Penalty Points ("DPPs") shall be automatically imposed on the team defaulting, at the rate of 4 DPPs for a default on board 1, 3 DPPs for a default on board 2, 2 DPPs for a default on board 3, and 1 DPP for a default on board 4.
- c. A club may appeal against the imposition of DPPs, and the LMC can use its discretion in considering the appeal. The appeal must reach the Match Secretary within fourteen days of the match date. The LMC will normally waive DPPs if the club can show that 48 hours' notice of intention to default was given.
- d. In divisions 1, 2 and 3, for each ten DPPs accumulated in one season, one Match Point shall be deducted from the team's total.
If a team exceeds 45 DPPs during the season, it shall be required to resign from the Team Championships.
- e. In divisions 4 and below, for each five DPPs accumulated in one season, one Match Point shall be deducted from the team's total.
If a team exceeds 22 DPPs during the season, it shall be required to resign from the Team Championships.

5.5 Resignation or Dismissal of Team

- a. If a team resigns or is dismissed from the Team Championships, the entire record of that team shall be deleted from the Team Championship records.
- b. If a club cannot meet the obligations of all its teams in the Team Championships, the LMC may decide which team is to be withdrawn.

6. TEAM KNOCK-OUT

6.1 Format

- a. A Team Knock-Out competition shall be held during the season.
- b. The fixtures for each round shall be determined by a draw made by the LMC and communicated to the club secretaries by the Match Secretary. The team drawn first in each fixture shall play at home.
- c. Each match shall be between two teams of eight players, and shall be played on a knock-out basis. If the match is tied, board count will be used to break the tie. If this fails to resolve the tie, board elimination will apply. If the match is still tied, the match shall be replayed at the away team's premises.

6.2 Entry

Entry to the Team Knock-Out is open to any Member Club whose League subscriptions are fully paid up. A club may enter only one team. Entries to the Team Knock-Out shall be delivered to the Match Secretary on or before July 1st prior to the start of the season. There is no fee.

- b. The rules for entry are otherwise as for the Team Knock-Out.

7.3 Team Eligibility

- a. No team may be fielded in any match whose mean (average) ECF grade shall exceed 135.
- b. Where a player has no current ECF grade they shall use firstly their last published standard grade. Failing that they shall use their last published quickplay grade. Failing that they shall use a grade of 135.
- c. The July ECF grading shall be used throughout the season for eligibility purposes. However, where a player has no July ECF grade but then subsequently obtains a January ECF grade then that January grade shall be used for the remainder of that seasons competition.
- d. No player may play in the competition if they are registered for a team playing in division 1 of the Team Championships.

8 OTHER COMPETITIONS

All other competitions shall be played according to rules laid down by the LMC. The LMC may organise a Summer Lightning Competition, an Individual Knock-Out competition, Individual Championships to be decided by a weekend congress, and other competitions as it sees fit.
